

The Center Parent Network
Donation Commitment Form 2019-2020

Since its inception, the Conejo Valley Unified School District and Thousand Oaks High School have strived to offer the most comprehensive array of enrichment programs, athletics and extracurricular activities, particularly those deemed the most valuable by our community.

The Center Parent Network is pleased to offer a comprehensive and enriching educational experience to every participating student. State law requires us to provide a public education free of charge. Subject to certain exceptions, the right to a free public education means we cannot require students or their families to purchase materials, supplies, equipment or uniforms for any school activity, to pay security deposits for access, participation, materials, or equipment, or to make donations to a class, activity or program.

However, The Center, and The Center Parent Network, incurs expenses not covered by CVUSD. To pay for these important components of our program, we rely heavily on donations from parents and others, as well as various fundraising events. These donations directly benefit our students and make possible all of our planned activities and experiences — without this financial and logistical support from participating families, we simply cannot maintain the quality program we want to continue to provide for our students.

If we are unable to meet our fundraising goals, it will be necessary to forego some of the experiences that make *The Center* such a unique learning opportunity.

Based on our planned activities and the projected costs, we are asking for a donation from each family of \$250.00. This requested donation is calculated based on the expenditures from The Center for 2018-19 and the proposed budget for 2019-20. Needless to say, we happily accept donations in excess of the requested amount!

Below we ask that you pledge your generous contribution to The Center Parent Network and, if possible, that you submit your donation in full along with this form. You may, if you prefer, submit some or all of your donation at a later time, but in order for us to realistically budget and plan, we would like donations prior to our September 18th CPN Booster meeting.

Please indicate below the amount you are willing to pledge to support this program so we may determine if it will be possible to offer all planned activities and experiences. Thank you.
