

The Center Parent Network

Donation Commitment Form 2018-19

Since its inception, the Conejo Valley Unified School District and Thousand Oaks High School have strived to offer the most comprehensive array of enrichment programs, athletics and extracurricular activities, particularly those deemed the most valuable by our community. The Center Parent Network is pleased to offer a comprehensive and enriching educational experience to every participating student. State law requires us to provide a public education free of charge. Subject to certain exceptions, the right to a free public education means we cannot require students or their families to purchase materials, supplies, equipment or uniforms for any school activity, to pay security deposits for access, participation, materials, or equipment, or to make donations to a class, activity or program.

However, as has been explained in other documents provided to you, The Center and The Center Parent Network incurs expenses which are not covered by CVUSD. To pay for these important components of our program, we rely heavily on donations from parents and others, as well as various fundraising events. These donations directly benefit our students and make possible all of our planned activities and experiences — without this financial and logistical support from participating families we simply cannot maintain the quality program we want to continue to provide for our students. If we are unable to meet our fundraising goals, through both donations and fundraising events, it will be necessary to forego some of those activities and experiences.

Based on our planned activities and the projected costs of those activities, we are asking for a donation from each family of \$200.00. This requested donation is calculated based on the expenditures from The Center for 2017-18 and the proposed budget for 2018-19. Needless to say, we happily accept donations in excess of the requested amount!

Below we ask that you pledge your generous contribution to The Center Parent Network and, if possible, that you submit your donation in full along with this form. You may, if you prefer, submit some or all of your donation at a later time, but in order for us to realistically budget and plan all activities and experiences all pledged funds must be collected on or before October 1, 2018. Please indicate below the amount you are willing to pledge to support this program so we may determine if it will be possible to offer all planned activities and experiences. Thank you.

Please check all that apply:

_____ My son/daughter would like to participate in The Center for Advanced Studies & Research for the 2018-19 school year.

The Center Parent Network

Fundraising Commitment Form 2018-19

The Center along with The Center Parent Network is pleased to offer a comprehensive and enriching educational experience to every participating student. To provide this experience we rely heavily on not only monetary donations from parents and others, but assistance at various fundraising events as well.

State law requires us to provide a public education free of charge, and the California Department of Education has concluded that this law prohibits schools from requiring parents of students to work at fundraising events and activities as a condition of allowing their child to participate in an educational activity. Assisting at fundraising events is therefore voluntary. However, the support of all parents at these events is critical to their success and the overall success of The Center for Advanced Studies & Research.

Based on our planned fundraising activities, we are asking each family to commit to volunteering efforts with one event. Needless to say, we happily accept pledged time commitments in excess of the requested amount!

Please indicate below your commitment to assisting at the specified fundraising events and activities: Corporate Sponsorships, Restaurant Nights and/or Center gear sales.
