AUTHORIZATION FORM

As part of the requirements for acceptance into The Center for Advanced Studies and Research at Thousand Oaks High School (The Center), students complete the AP Capstone courses, AP Seminar and AP Research. Through the AP Capstone exams, students must create and submit multi-media presentations to the College Board in partial fulfillment of their AP exam scores. As such, parents must consent to the use of these videos, interviews and/or photographs by the College Board and by The Center.

I hereby grant permission to The Center to use my and/or my child's photographic image and/or creative works for each of the years that (s)he participates in the program.

With respect to all photos, videotape and audio recordings, and any reproductions of same in any medium, including The Center website, I hereby irrevocably consent to and authorize their use. The Center may reproduce, distribute, and exhibit for any purpose and in any medium whatsoever including, but not limited to, publication, website, broadcast, display and exhibition for educational purposes, without any compensation or notice to me.

I agree that I and/or my child shall have no right, title, or interest in any photo or videotape covered by this agreement and waive any right to compensation for such use.
